Prospectus			
1.	General	To clarify whether there is any difference between the usage of the term "solutions architect" and "IT solutions delivery employees"/employees in IT solutions.	Amended. Please refer to the definition of solutions architect in the Definitions section of the Prospectus. "IT solutions delivery employees" and "employees in IT solutions" represent the same roles. We have amended it to "IT solutions employees" for consistency throughout the Prospectus.
2.	Definitions	(i) To update the definition of Market Day in accordance with the ACE Market Listing Requirements. (ii) To clarify the need for separating Client A Group from Client A, especially since it is combined in the Accountants' Report. (iii) To define "Salesforce", "Pegasystems".	(i) Amended. Please refer to the Definitions section of the Prospectus. (ii) Amended. Please refer to the Definitions section of the Prospectus. (iii) Amended. Please refer to the Definitions section of the Prospectus.

3.	Section 2.2 Moratorium	To ascertain the reason for Chan Wai Hoong not falling under the definition of a Specified Shareholder and consequently, not having to place his shares under the moratorium.	For Bursa Securities' information, Chan Wai Hoong ("**Mr. Chan**") does not fall under the definition of a Specified Shareholder. Pursuant to the ACE Market Listing Requirements, a Specified Shareholder is defined as: (i) a controlling shareholder – Mr. Chan is not a controlling shareholder of VETECE as he only holds 13,960,000 Shares (assuming full subscription of the Pink Form Shares) in VETECE upon Listing. The only controlling shareholder of VETECE is Mr Tee Chee Chiang ("**Mr. Tee**"); (ii) a person connected to a controlling shareholder – Mr. Chan is not a person connected to the controlling shareholder of VETECE (i.e. Mr. Tee), whereby Mr. Chan is not: (a) a family member of Mr. Tee; (b) a trustee of a trust under which Mr. Tee, or a family member of Mr. Tee is the sole beneficiary; (c) a partner of Mr. Tee; (d) accustomed or under an obligation, whether formal or informal, to act in accordance with the directions, instructions or wishes of Mr. Tee. Notwithstanding that Mr. Chan, as the CEO and Executive Director of VETECE reports to Mr. Tee, who is the Executive Vice Chairman of VETECE, such relationship is only in respect of Mr. Chan's professional capacity as an employee of VETECE and not of Mr. Tee's; (e) a person in accordance with whose directions, instructions or wishes Mr. Tee is accustomed or is under an obligation, whether formal or informal, to act; (f) a body corporate in which Mr. Tee, or persons connected with Mr. Tee are entitled to exercise, or control the exercise of, not less than 20% of the votes attached to voting shares in the body corporate; or (g) a body corporate which is a related corporation of Mr Tee.

			(iii) an executive director who is a substantial shareholder, of the applicant or listed corporation – Mr Chan is not a substantial shareholder of VETECE before or after the IPO, or (iv) any other person as specified by the Exchange. Notwithstanding the above, after further discussions, Mr. Chan has agreed to provide a voluntary moratorium in respect of his entire 13,960,000 Shares for a period of 6 months. Please refer to the amended Section 2.2 of the Prospectus. Please also find Mr. Chan's undertaking for the moratorium attached with this reply in Enclosure I.
4.	Section 4.6 Dilution	To insert notes to demonstrate the computations for the dilution in pro forma NA per Share.	Amended. Please refer to the amended Section 4.6 of the Prospectus.
5.	Section 4.7(c)(i) Implementation of COE	(i) To disclose the rental income derived from KL Gateway Property during the latest financial year and the Group's termination rights to such tenancies, if relevant (e.g. including whether the existing tenants have any option/right to renewal of such tenancies or whether the Group may be subject to any penalties for non- renewal of the tenancies).	(i) Amended. Please refer to the amended Section 4.7(c)(i) and Section 6.8.1 of the Prospectus. Rental income derived from D-07-03 KL Gateway Property for the FYE2023 was RM40,000. There is no termination clause in the tenancy agreement for the D-07-03 KL Gateway Property and no option/right to renewal by the tenant. The Company does not intend to renew the tenancy upon its expiry on 31 October 2024. Rental income derived from D-07-03A KL Gateway Property for the FYE2023 was RM48,000. As the property is currently vacant, the rental income for D-07-03A KL Gateway Property is not disclosed in the Prospectus. The tenancy for D-07-03A KL Gateway Property had expired on 29 February 2024 and the tenant did not exercise its option to renew the tenancy for a further term of 1 year.

		(ii) To elaborate further on the Group's plan to rent "similar properties" (i.e. similar in terms of size or location) "depending on the needs" (i.e. whether it will only be done if the current rented properties are not available, should the current properties be insufficient or both).	(ii) Amended. Please refer to the amended Section 4.7(c)(i) of the Prospectus.
6.	Section 4.7(e) Loan repayment	To clarify the difference in the effective interest rate per annum charged on the loans disclosed in this section (4.35%) versus that disclosed in Section 12.5 (3.10%).	For Bursa Securities' information, there was an error in the effective interest rate per annum charged on the loan disclosed in Section 12.5 which has been amended. Please see the amended Section 12.5 of the Prospectus.
7.	Section 4.8.3 Placement fee	To remove the 2nd paragraph if it's just a repetition of information in the 1st paragraph.	Amended. Please refer to the amended Section 4.8.3 of the Prospectus.
8.	Section 5.2.3 Principal directorships	(i) To disclose any intended plans for VTCGB after the sale of VTCS to the Group. (ii) To disclose the principal activity of Mesti Perkasa Sdn Bhd (for Ng Kim Kiat) and the mandate for Kairous Acquisition Corp Limited	(i) Amended. Please refer to the amended Section 5.2.3 of the Prospectus. (ii) Amended. Please refer to the amended Section 5.2.3 of the Prospectus.
9.	Section 6.3 Acquisitions	To clarify the difference between the 25,000 shares acquired by the VTCS Vendor and the 83,000,000 shares acquired by the shareholders of the VTCS Vendor.	Amended. Please refer to the amended Section 6.3 of the Prospectus. VETECE will be acquiring 25,000 ordinary shares in VTCS from the VTCS Vendor who is the sole shareholder of VTCS. The 83,000,000 shares refer to the total number of ordinary shares in VTCS Vendor held by VTCS Vendor's shareholders. For clarity, the header of the table under Note (1) *"No. of ordinary shares acquired"* has been amended to *"Shareholdings in VGSB"*.

10.	Section 6.6 Material investments and divestitures	To elaborate further on the renovation done during FYE 31 August 2022.	Amended. Please refer to the amended Section 6.6 of the Prospectus.
11.	Section 6.8 Material properties	Note (3) (i) To clarify whether the existing CCC (as disclosed on page 83), is still considered valid, considering the Group has been informed by the relevant local authority that "a new CCC is required". (ii) Potential maximum penalty To confirm that the maximum penalty imposed would still not exceed RM250,000, taking into account the potential fine(s) of not exceeding RM250 per day for which the offence continues.	(i) Amended. Please refer to the amended Section 6.8 of the Prospectus. The existing CCC is still considered valid. The new CCC is an additional CCC that is applied on the renovations that were carried out. We wish to update Bursa Securities that the Group has obtained the new CCC (that covers the renovations) on 27 March 2024. (ii) Amended. Please refer to the amended Section 7.20 of the Prospectus. The potential additional penalties would no longer be applicable as the Company has obtained the CCC for the renovation on 27 March 2024 without any fine or penalty imposed.
12.	Section 7.1 History and milestones	(i) It is disclosed that the Group secured its first Oracle CRM maintenance and support services contract in 2009. To elaborate further on this contract. (ii) It is disclosed that the Group first ventured into Oracle Business Intelligence in 2010. To elaborate further on this technology.	(i) Amended. Please refer to the amended Section 7.1 of this Prospectus. (ii) Amended. Please refer to the amended Section 7.1 of this Prospectus.

13.	Section 7.3 Business model	Business model diagram (i) **Client Industry**: To insert a note that the domain expertise of the Group is on serving the telecommunications and financial service industries. (ii) **Client Geographical Segment**: To include Malaysia.	(i) Amended. Please refer to the amended Section 7.3 of the Prospectus. (ii) Amended. Please refer to the amended Section 7.3 of the Prospectus.
14.	Section 7.3.1 Implementation services	It is disclosed that "Our enterprise IT solutions enable adoption of new business models". To elaborate/clarify on this.	Amended. Please refer to the amended Section 7.3.1 of the Prospectus. To clarify, the Group's enterprise IT solutions has a wide variety of customisable options whereby client can adopt to enhance their current IT systems.
15.	Section 7.3.4(i), Enterprise Application Integration and SSO Management Solution	To amend the underlined to "Credit card" – "CC payment details request".	Amended. Please refer to the amended Section 7.3.4(i) of the Prospectus.
16.	Section 7.3.4(iv), Enterprise Software Testing Solution	To clarify the description on the cyclical arrows in between "Test Execution" and "Test Report".	Amended. Please refer to the amended Section 7.3.4(iv) of the Prospectus. To clarify, if the test execution does not yield a satisfactory result, the process of testing will be repeated.
17.	Section 7.5 Business Process, Project initiation	(i) **Formation of Project Team**: It is disclosed that "we may outsource some specialised implementation works which we may not have the expertise to carry out, to other third-party enterprise IT solution providers". To clarify on the proportion of outsourced work and how it may impact the profitability of the projects.	(i) Amended. Please refer to the amended Section 7.5 of the Prospectus. (ii) Amended. Please refer to the amended Section 7.5 of the Prospectus.

No.	Reference	Queries	Responses
		(ii) **Testing, training and deployment of system:** It is disclosed that "Once the user acceptance test is completed, it will be signed off by us and a representative from our client". To disclose the usual course of action(s) taken if the user acceptance test takes longer than the average time taken to be signed off by the client.	
18.	Section 7.6.1 Established track record in the enterprise IT services industry	To disclose the number of solution architects with domain expertise who are employed by the Group.	Amended. Please refer to the amended Section 7.6.1 of the Prospectus.
19.	Section 7.8 Operating capacity and output	To assess and disclose if the Group's headcount or inadequacy of allocation of IT employees may materially impact the delivery of IT solutions to its customers, and to make reference to Section 7.15, if necessary.	Amended. Please refer to the amended Section 7.8 of the Prospectus.
20.	Section 7.10 Major customers	(i) To disclose the total number of customers served by the Group during the Financial Years Under Review and the number of new customer(s) of the Group obtained by the group in the latest financial year. (ii) To disclose any other mitigating factors in relation to the Group's dependency on Telekom Malaysia Berhad Group, if any. (iii) It is disclosed that "During this time, our Group has also been securing contracts from <u>different clients and industry segments</u> which have also increasingly contributed to our Group's revenue". To elaborate/clarify the underlined.	(i) Amended. Please refer to the amended Section 7.10 of the Prospectus. (ii) Amended. Please refer to the amended Section 7.10 of the Prospectus. (iii) Amended. Please refer to the amended Section 7.10 of the Prospectus.

No.	Reference	Queries	Responses
21.	Section 7.11 Major suppliers	To elaborate further on the reasons(s) for the Group being deemed as not dependent on WSO2 Inc and Computrade Technology (Malaysia) Sdn Bhd, despite purchasing at least 15.0% of their products and services during the Financial Years Under Review.	Amended. Please refer to the amended Section 7.11 of the Prospectus.
22.	Section 7.14 Quality Control AndAssurance	(i) To clarify why the validity period for the ISO 9001:2015 certification is one year, as it is understood that the standard validity period for this certification is three years. (ii) To disclose the Group's plans on this certification after it is expired on 28 July 2024.	(i) Amended. Please refer to the amended Section 7.14 of the Prospectus. To clarify, the date of initial registration was on 15 July 2022. Nevertheless, the date of the certificate issued was on 28 July 2023. The expiry of the certificate is stated to be 28 July 2024, and the recertification is due on 14 July 2025. (ii) Amended. Please refer to the amended Section 7.14 of the Prospectus.
23.	Section 7.15 Employees	To disclose any mitigating factors in relation to the Group's reliance on and retention of skilled IT employees.	Amended. Please refer to the amended Section 7.15 of the Prospectus.
24.	Section 7.18 Approvals, major licenses, permits and registrations	(i) To ascertain whether each condition for each approval/license/permit is: (1) being complied with or if otherwise, to disclose what is being done to ensure compliance; or (2) is for notation or not relevant/applicable, and the reason(s) for such. (ii) To clarify whether the Group complies with condition no. 3 from DBKL. Further, it is noted that there was a period of incompliance from 7 April 2023 to 31 May 2023, and 1 June 2006 to 4 September 2023, respectively. To consider whether this should be highlighted in the "Status of compliance" column.	(i) Amended. Please refer to the amended Section 7.18 of the Prospectus. (ii) Amended. Please refer to the amended Section 7.18 of the Prospectus.

25.	Section 7.19 Intellectual Property Rights	It is noted that the registered trademark was applied and registered on 24 August 2012 and renewed for a period of 10 years until 24 August 2032. To clarify on the underlined.	Amended. Please refer to the amended Section 7.19 of the Prospectus.
26.	Section 7.20 Regulatory requirements	(i) To clarify whether the Group's business is materially exposed to the regulatory requirements in relation to the Personal Data Protection Act, 2010. (ii) LGA To disclose whether there is any risk of penalties arising from the short stint of VTCM operating without a valid licence from 7 April 2023 to 31 May 2023. (iii) It is disclosed that "Our Group had obtained a special permission notice dated 28 November 2023 issued by the relevant local authority for the renovations carried out on CBD Perdana Property. Currently, the official approval and inspections from the relevant local authorities and the fire and rescue department are pending prior to the issuance of the CCC in connection with the renovations." To specify the name of the local authority.	(i) To clarify, the regulatory requirements in relation to the Personal Data Protection Act, 2010 ("**PDPA**") is not applicable to the Group as it is merely a data processor and not a data user. As such, disclosure on PDPA is not required. (ii) Amended. Please refer to the amended Section 7.20 of the Prospectus. The likelihood of being penalised for operating without a valid licence from 7 April 2023 to 31 May 2023 is low as VTCM has obtained the renewal of the business licence without penalties imposed. (iii) Amended. Please refer to the amended Section 7.20 of the Prospectus. The name of the local authority is Majlis Perbandaran Sepang. Nonetheless, the details have been removed as Majlis Perbandaran Sepang has already granted CCC for the CBD Perdana Property on 27 March 2024.

(ii) <u>Section 6.0: Prospects and outlook of the enterprise IT services industry</u> To include disclosures on the prospects and outlook of the IT services industry in Singapore due to the Group's future plans.	(i) Amended. Please refer to the amended Section 8 of the Prospectus. (ii) Amended. Please refer to the amended Section 8 of the Prospectus.
30.	Section 9 Risk Factors	(i) With reference to item no. 2 in the guidance on paragraph 6.01 of Division 1, Part II of the SC's Prospectus Guidelines ("**PG**"), to ensure that the risks factors disclosed are being sequenced in order of impact to the Group. For example, Sponsor to assess whether the risk that the Group is dependent on Telekom Malaysia Berhad Group as its major client is the highest impact risk, if so, to move Section 9.1.4 upfront. (ii) With reference to item no. 4 in the guidance on paragraph 6.01 of the PG, material risk factors disclosed should be specific. If required, to elaborate on the risk of the Company not being able to execute its business and future plans (e.g. specific difficulties in establishing the COE for software solutions with the IPO proceeds for Section 9.1.7). Otherwise, to consider removing such risk.	(i) Amended. Please refer to the amended Section 9 and Section 3.5 of the Prospectus. (ii) Amended. Please refer to the amended Section 9 and Section 3.5 of the Prospectus.

31.	Section 9.1.2 Unexpected delays or interruption beyond control	(i) To clarify whether the service contracts/agreements entered into the Group contain clauses in relation to penalties for project delays/interruptions. (ii) To confirm whether there has been any penalties or damages incurred due to project delays/interruptions.	(i) Amended. Please refer to the amended Section 9.1.3 of the Prospectus. To clarify, the Group's service contracts and agreements generally contain clauses which impose penalties for project delays and interruptions to business. (ii) Amended. Please refer to the amended Section 9.1.3 of the Prospectus. The Group has confirmed that it has not incurred any penalties for the projects that it has undertaken with its clients.
32.	Section 9.1.4 Telekom Malaysia Berhad Group	To disclose the outstanding amounts of existing contracts with Telekom Malaysia Group, as at the LPD, and to reflect the same in Section 12.2.1(xi).	Amended. Please refer to the amended Section 9.1.2 and Section 12.2.1(xiv) of the Prospectus.
33.	Section 9.1.5 Dependency on skilled IT employees	(i) To disclose the turnover rate of the Group's IT employees during the Financial Years Under Review. (ii) To disclose whether the Group has encountered any project delays or failures due to loss of IT employees and following this, whether the Group has engaged/outsourced its services to external 3rd parties to ensure proper completion of projects.	(i) Amended. Please refer to the amended Section 9.1.5 of the Prospectus. (ii) Amended. Please refer to the amended Section 9.1.5 of the Prospectus.
34.	Section 9.1.6 Reliance on technology partners and/or vendors	(i) To ensure that the heading demonstrates the risk faced by the Group (e.g. to refer to the Group's reliance on its partners/vendors instead of just as a source). (ii) To disclose whether the Group has had its relationship with technology partners/vendors terminated prior to this.	(i) Amended. Please refer to the amended Section 9.1.6 of the Prospectus. (ii) Amended. Please refer to the amended Section 9.1.6 of the Prospectus.

No.	Reference	Queries	Responses
35.	Section 9.1.7 Unable to execute future plans and business strategies	Certain points covered in this section are similar to that in Sections 9.2.1 and 9.2.3. To avoid duplicity in information for risk factors.	Amended. Please refer to the amended Section 9.1.7 of the Prospectus.
36.	Section 9.1.9 Risk of termination of contracts	To assess whether this risk factor can be merged with that of Sections 9.1.1 and 9.1.6 instead of a standalone risk.	Amended. Please refer to the amended Section 9 of the Prospectus. Section 9.1.9 has been removed and the contents have been merged into Section 9.1.1 and Section 9.1.6.
37.	Section 9.1.11 Inadequacy of insurance coverage	To disclose whether the Group has made any material insurance claims during the Financial Years Under Review.	Amended. Please refer to the amended Section 9.1.10 of the Prospectus.
38.	Chapter 10.1.1 Related Party Transactions	(i) <u>Note 4</u> To disclose the basis on which the monthly rental rate of the Setia Jaya Property amounting to RM2,400 was arrived at. (ii) <u>Last paragraph</u> In terms of drafting, to simplify/clarify that only the latest tenancy agreement entered into with Petbacker Sdn Bhd on 1 September 2023 is on arm's length basis, while the rest were not.	(i) Amended. Please refer to the amended Section 10.1.1 of the Prospectus. (ii) Amended. Please refer to the amended Section 10.1.1 of the Prospectus.
39.	Section 12.1.2 Statements of financial position	(i) To breakdown the amounts between trade receivables and other receivables. (ii) To breakdown the amounts between trade payables and other payables.	(i) Amended. Please refer to the amended Section 12.1.2 of the Prospectus. (ii) Amended. Please refer to the amended Section 12.1.2 of the Prospectus.

No.	Reference	Queries	Responses
40.	Section 12.2.1(i)(b) Maintenance, support and professional services	To include disclosure that some service contracts may require performance guarantee/contract deposit as disclosed in Section 7.3.2.	Amended. Please refer to the amended Section 12.2.1(i)(b) of the Prospectus.
41.	Section 12.2.2(ii)(c) GP and GP margin	(i) To separate the disclosures on GP and GP margin with those in relation to cost of sales, and with appropriate headers. (ii) Where a general explanation is disclosed as the reason(s) for GP increasing/decreasing (i.e. due to higher/lower revenue and/or higher/lower cost of sales), to make reference to the relevant sections in the Prospectus which explain the reason(s) for such changes in revenue or cost of sales.	(i) Amended. Please refer to the amended Section 12.2.2(ii) and 12.2.2(iii) of the Prospectus. (ii) Amended. Please refer to the amended Section 12.2.2(ii) and 12.2.2(iii) of the Prospectus.
42.	Section 12.2.2(ii)(c)GP and GP margin, Comparison between FYE 2021 and FYE 2022	<u>Cost of sales for Implementation Services</u> To elaborate further on the reason for the GP for implementation services segment increasing by <u>648.78%</u> while the GP margin increasing about <u>39.56%.</u>	Amended. Please refer to the amended Section 12.2.2(iii) of the Prospectus.
43.	Section 12.2.1(i)(c)GP and GP margin, Comparison between FYE 2022 and FYE 2023	(i) To further clarify on staff cost increasing due to the "one-off reversal of deferred bonus". (ii) <u>Cost of sales for Maintenance, Support and Professional Services</u> To elaborate further on the reason for the increase in GP margin instead of just referencing the revenue.	(i) To clarify, there was a reversal of bonus in the FYE 2022 which resulted in a lower staff cost recorded during the FYE 2022. There was no such reversal of bonus in the FYE 2023. (ii) Amended. Please refer to the amended Section 12.2.2(iii) of the Prospectus.

No.	Reference	Queries	Responses
		(iii) Cost of sales for Resale of Hardware and Software To elaborate further on the reason for the GP for resale of hardware and software segment increasing by 32.00% while the GP margin increasing about 4.31%.	(iii) Amended. Please refer to the amended Section 12.2.2(iii) of the Prospectus.
44.	Section 12.2.1(iii) Other income	To include a note to elaborate on the unrealised gain on foreign exchange in FYE 2023.	For Bursa Securities' information, there was an error in classification between realised and unrealised gain on foreign exchange. There was a realised gain on foreign exchange amounting to RM0.08 million arising from the settlement of amounts due from related parties which was inadvertently classified as unrealised gain on foreign exchange. The amount has been reclassified within Other Income and has no impact to the overall Statement of Comprehensive Income. Please refer to the amended Section 12.2.1(iv) and Section 14 of the Prospectus.
45.	Section 12.2.1(iv) Administrative expenses	To disclose the reasons for the fluctuations in amounts for staff cost over the Financial Years Under Review.	Amended. Please refer to the amended Section 12.2.2(v) of the Prospectus.
46.	Section 13 Reporting Accountants' Report	To clarify on the meaning of the "applicable criteria", based on the extracted sentence below. ● *"The applicable criteria on the basis of which the Directors of VETECE have compiled the pro forma… are as described in Note 2… and in accordance with the requirements of the Prospectus Guidelines… ("**Applicable Criteria**")."*	Amended. Please refer the amended Section 13 in the Prospectus. ISAE 3420 *Assurance Engagements to Report on the Compilation of Pro Forma Financial Information Included in a Prospectus*, defines the term "Applicable Criteria" as the criteria used by the responsible party (the Company) when compiling the pro forma financial information. Criteria may be established by an authorized or recognized standard-setting organization or by law or regulation. Where established criteria do not exist, they will be developed by the responsible party.
